

It PAY\$ to Carpool!

How To Guide

Step 1:

Join CommuteWISE

Create a login and password using the QR code to the right.

Download the App - search 'CommuteWISE' in your app store.

Step 2:

Find a Carpool match

(if needed)

In the app or on your computer select 'Pools' section in your main menu. Then choose 'search' to explore available carpools.

Step 3:

Record your carpool trips

Start tracking your commute by tapping the "Record" button in the main navigation. Select 'carpool' as your mode, then begin recording your journey. 'Add Riders' during your trip to by having each rider scan the QR code that appears on your screen. (All iders will need their own accounts and must be logged in to scan your QR code succesfully. The app will record your trip & travel time as you commute. When you reach your destination, tap "Stop" to end the session and "Save" to log your trip!
